Willing to commit to live at the centre for 1 year
Between 18-23 years old
Matric certificate
A desire to lead

**Finished matric and facing
the future ahead?**

MAKE IT COUNT!

Launch into your future!

2020

At GoodYear you don't only learn information or skills, you also get connected to a family who will stand by you as you live out your purpose. These **life changing relationships** help you **realise** that your **dreams are possible** and give you the tools you need to get there.

You are not only supported, cared for and encouraged into your future, but you also get the opportunity to be a role model for kids in your community. As a GoodYear student you will do value-based programs and other outreaches in your community - giving you exceptional **experience to put on your CV!**

Imagine being warned in advance about some challenges life might throw at you and being equipped with skills on how to deal with them?

At GoodYear you are surrounded by **people who have walked the road ahead** and can help you tackle life with the right foundations.

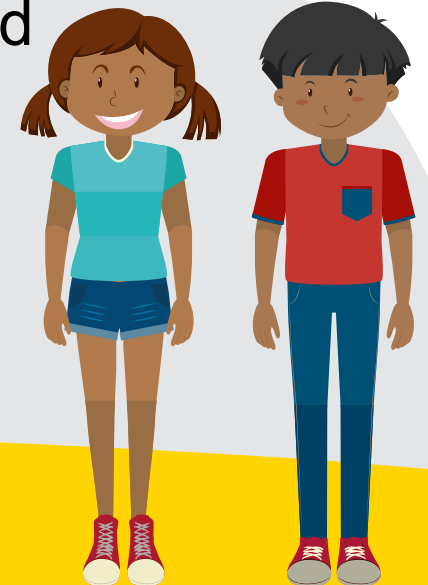

Many who start their studies, fail and many who pass, can't find a job.

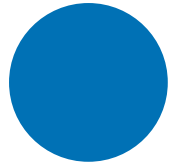

What makes you different?

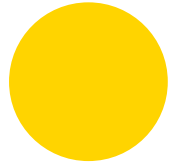

Completing a GoodYear will **set you apart** and **set you up for success.**

What will you gain?

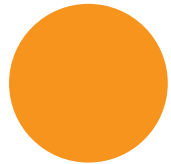

Gain the right **skills** to make your **tertiary education** a success.

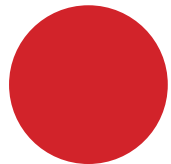

Gain the right **skills** to make your **relationships** a success.

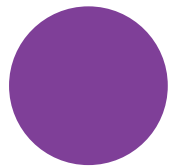

Gain the ability to **lead** and have a **positive impact** in your community. Make a real difference!

Life-long relationships with friends and mentors. Get to know people on the same journey as you. Support each other and grow together for life.

Gain **spiritual and emotional freedom**. Get connected with God and set yourself free from things that are holding you back.

Gain essential skills that any employer desires, including great work ethic, time and money management, problem solving communication and various other skills. **Increase your employability** by getting good references and volunteer experience
